That said, monitoring your behavior and seeing if there are patterns that trigger these reactions from others could be worth your time. If it feels appropriate, you could try asking the individual how you can alter your behavior to make things easier for them. Being touchy-feely might be okay with some of your friends, but this individual will probably feel a bit uncomfortable with it. Take ...

First of all, everyone doesn't praise Indra. I dont think even 1% does. No way. Second, Brahma isn't as popular either, he only have one temple in India. And third and most important, nobody is prayed to as much as Parvati Mata and her 8-9 avatars. Mahakali, sherawali and all others. You forgot Ganga. And don't forget, even Shani Dev is praised way more than Indra. I know my stuff. I ...
