The Exodus, Red Sea Crossing, & Mt. Sinai . Location . 1. For many years it was believed that the Israelites crossed the Suez finger of the Red Sea just southeast of what is now Cairo, Egypt. However, there are no deep bodies of water in these areas but just shallow marshes and lakes. For this reason, the biblical account of this astounding miracle has been attempted to be discredited or ...

[US nuclear submarine sails into Persian Gulf as Israel ...](#)

Of course it was above water, the Suez Canal is not deep enough for it to pass through it (rather than across it) submerged. The implication to me in this article is that Egypt allowed the submarine to go through the Suez Canal and Red Sea rather than denying it passage and requiring it to sail around Africa. And that the Saudi's have, apparently, NOT raised any objections to an Israeli sub ...
